**NOTICE TO ALL RESIDENTS**

September 7, 2016

It has been reported that there have been some thefts from residents' backyards recently.

The Pima County Sheriff's Auxiliary has stated that there are no plans to increase patrols through the Fairways community at this time.

If you are a victim of a theft of items from your yard (front or back) it is vital that you report this to Pima County Sheriff and then inform Stratford Management. Unless reports are being made to the Sheriff's Department, they will not increase patrols in Green Valley Fairways.

Please visit [www.gvsav.org](http://www.gvsav.org) (Neighborhood Resource Guide) for information about reporting crimes and what to do if you are leaving your residence for extended periods of time.

Thank You
