GVD Rock not responsible for any damage to sidewalks, curbs, or driveways. Our material is sold as it is in the stockpile at the time of delivery. We cannot guarantee any precise shade, color or sizing of the material. We do not have any control of the amount of dust or fines in the material. You may inspect our stockpile as you see fit. We do suggest that you rinse off the material after it is laid down. This will wash off the dust and give you a true color.
